To whom it may concern:

I am pleased to confirm that the solar panels listed below have been reported to PICC and they are eligible for warranty coverage. Warranty coverage is set by the terms of the JA Solar Warranty and the insurance policy.

Customer Name: Evergreen New Energy S&T (Group) Holding Corp

Contract No: JAI-ENE20111302M补充协议一

Model No. (SKU) : JAM72S20-445/MR

Please direct all inquiries to JA Solar regarding the details of the warranty. In order to check serial number registration, please go to the PICC 's Solar Panel Program Warranty Verification Portal (<http://jy.shpicc.cn>) , on which you will be able to input panel serial number or contract number or invoice number and to verify they have been reported and are eligible for coverage per the terms of your module manufacturer's policy.

\*The certificate of this batch previously insured by PICC is invalidated. Please take this certificate as standard.

Sincerely,

Erika Cheng
